A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CALIFORNIA CITY ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS FOR THE ASPEN MALL LANDSCAPING AND LIGHTING DISTRICT, FISCAL YEAR 2006/07

The City Council of the City of California City (hereafter referred to as the "City Council") does resolve as follows:

WHEREAS, the City Council has, by previous Resolutions initiated proceedings and declared its intention to levy assessments against parcels of land within the Aspen Mall Landscaping and Lighting District (hereafter referred to as the "District") for the fiscal year commencing July 1, 2006 and ending June 30, 2007, pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500* (hereinafter referred to as the "Act"); and,

WHEREAS, the Engineer selected by the City Council has prepared and filed with the City Clerk, and the City Clerk has presented to the City Council, an Engineer's Report in connection with the proposed levy and collection upon eligible parcels of land within District, and the City Council did by previous Resolution approve such report; and,

WHEREAS, the City Council desires to levy and collect assessments against parcels of land within the District for the fiscal year commencing July 1, 2006 and ending June 30, 2007 to pay the costs and expenses of operating, maintaining and servicing landscaping and appurtenant facilities located within public places in the District.

NOW, THEREFORE BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE DISTRICT, AS FOLLOWS:

Section 1: Following notice duly given, the City Council has held a full and fair Public Hearing regarding its Resolution approving the Engineer's Report prepared in connection therewith; the levy and collection of assessments, and considered the oral and written statements, protests and communications made or filed by interested persons.

Section 2: Pursuant to the provisions of California Constitution Article XIIIID, a maximum assessment for the District has been established and previously approved by the property owners through an assessment ballot proceeding. The City Council has determined that the proposed assessments presented in the Engineer's Report are less than or equal to the maximum assessment amount previously approved by the property owners. The City Council further declares that the proposed assessments are spread by the rate (assessment) and method approved by the property owners, and therefore in full compliance with both the substantive and procedural requirements of the California Constitution.

Section 3: Based upon review (and amendments, as applicable), the City Council hereby finds and determines that the Engineer's Report sufficiently and accurately describes:

- a) The land within the District will receive special benefit by the operation, maintenance and servicing of landscaping, lighting, and appurtenant facilities within the boundaries of the District.
- b) The District includes the lands receiving such special benefit.
- c) The net amount to be assessed upon the lands within the District is apportioned by a formula and method that fairly distributes the net amount among eligible parcels in proportion to the special benefit to be received by each parcel from the improvements and services.

Section 4: The Report and assessment as presented to the City Council and on file in the office of the City Clerk are hereby confirmed as filed.

Section 5: The City Council hereby orders the proposed improvements to be made for Fiscal Year 2006/07, and the improvements are briefly described as follows: turf, ground cover, shrubs, trees, drainage systems, irrigation systems, lighting, hardscape, and associated appurtenances within the public rights-of-way and specific easements. After collection by the County, the net amount of the levy shall be paid to the City Treasurer.

Section 7: The City Treasurer shall deposit the money representing assessments collected by the County for the District to the credit of a fund for the Aspen Mall Landscaping and Lighting District, and such money shall be expended only for the maintenance, operation and servicing of the appurtenant facilities as described in Section 5.
