Summer Ride Program

We are pleased to announce that our new Summer Ride Program is now operating. We look forward to offering this great program through out the summer.

Our Summer Ride Program offers youth free transportation to and from Central Park. Our Dial-A-Ride buses will pick up at the designated stops from Monday - Friday at set times. There will be 2 rounds of picks ups and drop offs.

Times: Pick up stops to Central park will be at 9am and 10am, going directly to Central Park. The drop off stops will start at Central Park at 3:30pm and second trip is at 4:00pm directly to the designated stops.

Eligibility: Ages 10-16 years, ages 9 and under must be accompanied by an adult.

Note: Bus drivers will not stop at any other locations during these times, drivers will only pick up and drop off at the designated stops. Each bus will have a sign that will identify which stops it will be going to on the return trip. West and South stops will be listed to ensure a youngster does not get on the wrong bus.
